RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!TM

Meet the Tendos . . . you have eight of them in Japanese family. Along with his [illegible] love-y young daughters—Akane, Nabiki, and Kasumi—part-time soul [illegible] pound-down—at the Tendo Anything Goes Martial Arts Training Hall," where literally anything and will happen.

When old friend Genma Saotome comes for a visit it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Your guess daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on a splash of cold water turns Ranma's father into a hungry giant panda, and Ranma—well, Ranma becomes a beautiful busty young woman. Hot water reverses the effect—but only until the next time.

Name Identity Notes.

AKANE
MARTIAL ARTIST
Akane and Ranma have a lot in common. Neither is interested in their fathers, but the path to wedded bliss is lined with roundhouse kicks and one-two punches.

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos—your average run-of-the-mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry, giant panda, and Ranma—well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time.

Name: **KUNO**
Identity: HIGH SCHOOL STUDENT
Notes: Upperclassman Kuno envisions himself as a swashbuckling protector of the cute women of Furinkan High, especially Akane, and the "pigtailed girl." He is also the son of ruthless Principal Kuno.

Name: **PRINCIPAL KUNO**
Identity: FURINKAN HIGH PRINCIPAL
Notes: A long-lasting woman in Heaven has only mellowed out Principal Kuno's kitchen and not his penchant for inventing sadistic school rules.

RANMA 1/2—

YIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos: you average run-of the mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry giant panda, and Ranma—well, Ranma becomes a beautiful busty young woman. Hot water reverses the effect—but only until the next time.

Name: **RYOGA/P-CHAN**
Identity: HIGH SCHOOL STUDENT/PIGLET
Notes: Now that arrangements shall be longed Ryoga seems to have rid himself of the Jusenkyo curse—he's ready to declare his undying love to Akane. But Ranma and Shampoo want to learn his secret—and take it away from him!

Name: **PRINCIPAL KUNO**
Identity: FURINKAN HIGH PRINCIPAL
Notes: A love-long vacationer in Heaven has only mellowed out. Principal Kuno's distaste and neither's penchant for inventing sadistic school rules.

RANMA 1/2—

VIN AND YANG WAS NEVER SO MUCH FUN!™

Meet the Tendos: your average run of the mill Japanese family. Along with his three lovely young daughters—Akane, Nabiki and Kasumi—patriarch Soun Tendo is the proud owner of the "Tendo Anything-Goes Martial Arts Training Hall," where literally anything can and will happen.

When old friend Genma Saotome comes for a visit, it seems the long-awaited formal betrothal between one of the Tendo girls and Genma's teenaged son Ranma will finally take place. Youngest daughter Akane—who says she hates boys—is nominated by her sisters for bridal duty.

Unfortunately, Ranma and his father suffered a strange accident on a recent martial arts training trip in China. They both plunged into one of many "accursed" springs which transform the unlucky swimmer into whoever—or whatever—drowned there hundreds of years ago.

From now on, a splash of cold water turns Ranma's father into a furry, giant panda, and Ranma, well, Ranma becomes a beautiful, busty young woman. Hot water reverses the effect—but only until the next time.

Name: **RYOGA/P-CHAN**
Identity: HIGH SCHOOL STUDENT/PIGLET
Notes: Navigationally challenged Ryoga is competing with Ranma for Akane's affections, but his manner's code prevents him from leaving Ranma in the lurch when he's in dire straits.

Name: **SHAMPOO**
Identity: CHINESE AMAZON/CAT
Notes: Shampoo is just one of the many women competing for Ranma's affections.
